

# LED Bench Repair Technician

## Lititz, PA

### LED Bench Repair Technician

We're looking for someone who understands that their job is an important component of their happiness. Yes, we said it folks...your happiness, it should be as important to you as it is to us. We're looking for a LED Repair Technician who's a self-starter and has a positive attitude. This position will play a vital role in assisting in the continued growth and development of the company. We are located in Lititz, PA on the "Rock Lititz" live event complex.

#### Essential Duties and Responsibilities include:

- Repair, maintenance and quality control of the following inventory items including but not limited to:
  - LED displays
  - Ethernet, XLR, video and power cables
  - Video and audio processing equipment
  - Mobile video and production trailers
  - Maintain accurate maintenance records using in-house database
  - Hourly Position: 35 – 40 hrs. per week

#### Qualifications:

- High School Diploma
- Ability to read schematic diagrams
- Diagnose and troubleshoot circuit boards and components
- Ability to desolder and solder SMT components is a must
- Must be a self-motivated, highly organized and detail-oriented individual

Our sustained growth and success is dependent upon the commitment and dedication of our team. We consider our employees to be our most valued asset. We offer competitive compensation, medical benefits and a 401K plan, but doesn't everybody? Here, at Upstage Video, you will be surrounded by people who work hard to deliver the best of the best to our clients, but not at your expense. Fun, happiness, balance... Are you starting to get the picture? If that's too foofoo for you, then lets just end it right here. We invite you to find out more information about our company at [www.upstagevideo.com](http://www.upstagevideo.com).

**Please explain why you think you would be a good fit to this team, along with your compensation requirements and resume to [resumes@upstagevideo.com](mailto:resumes@upstagevideo.com).**
