

Assistant Video Technician Internship Lititz, PA

Upstage Video is currently looking for individuals interested in a 13-week, paid Assistant Video Technician internship.

Upstage Video is one of the fastest growing LED screen providers in the country. This upbeat company provides LED screens and camera packages to events all across the country such as concerts, political rallies, bike races, golf tournaments, graduations, rodeos and much more. We strive to be the best in our field, with the best people and best technology the world has to offer.

This is an exceptional opportunity open to anyone looking to prosper on a dynamic team with a small yet rapidly growing Lititz company. The ideal individual should be dependable, flexible, hard-working and a team player. Our Assistant Video Technician will work in our Lititz location as well as having the opportunity to travel all over the country and be part of exciting sports and entertainment events. Please note that this is not a creative position and does not involve file editing. We invite you to find out more information about our company at upstagevideo.com.
